SUBJECT: SLOVENIA: H1N1: TEN NEW CASES BRING SLOVENIA'S TOTAL TO  
TWENTY-FOUR

REF: LJUBLJANA 176, LJUBLJANA 177, LJUBLJANA 182

11. (U) In the past week, the Slovenian National Institute of Public Health confirmed that ten additional cases of patients infected with H1N1 have been detected in Slovenia, bringing the total number of cases to 24. Post contacted the Institute for details on the cases but was informed that the Institute would no longer report details on the cases it detects. The Institute noted, however, that all patients are recovering well at home.
